RE: Application for Permit Change - Incidental Boundary Change, PacifiCorp, Deer Creek Mine, C/015/018, Emery County, Utah

Pursuant to R645-303-22, PacifiCorp on November 27, 2001 submitted an application to amend the Deer Creek Mine permit. The amendment involved an Incidental Boundary Change (IBC) to add 65.7 acres of US Forest Service land to the Deer Creek Mine permit area. Due to the recently approved Minor Modification of Resource Recovery and Protection Plan (R2P2) and Federal Coal Lease U-06039 Modification, PacifiCorp has revised the applicable maps originally submitted on November 27, 2001. Enclosed are seven (7) copies of the following maps to be inserted into the IBC booklet submitted on November 27, 2001.

Please replace the following maps:

- Map 3-6 Deer Creek Mine, Life of Mine Plan/5 Year Increments: Blind Canyon Seam
- Map 3-7 Deer Creek Mine, Life of Mine Plan/5 Year Increments: Hiawatha Seam

The Division's attention to this application is greatly appreciated. Six (6) copies of these maps are enclosed. One copy has been sent to the Price Field Office.

If additional information is required, please call me at (435) 687-4720.

Sincerely,

Charles A. Semborski
Geology/Permitting Supervisor
